Subject: Supporting Land Exchange

Dear Honourable Mayor and Council,

I cannot attend the public hearing, so I am writing in support of the Rezoning of North Vancouver District Land North of East Keith Road from residential to natural parkland. This will be a benefit to park users who travel from Bridgeman Park to Inter-river Park and who also walk the trail from Keith Rd. to Mountain Highway. The Keith Road connector will help to alleviate east/west traffic.

I look forward to completion of this entire Seylynn project and hope that cycling and walking trails to connect people north of the highway to Park and Tildford and Main St. will be improved and help to encourage people not to use their cars. We in Lynnmour will pledge to help keep this new Parkland area litter free! It will also be a benefit to the resident homes on Keith Road who will be impacted by the widening of the road. This will guarantee more green space for them behind their homes which is great.

Thank you for giving us more parkland!

Mayor and Council:

re: zoning of North Vancouver
District Land East of Keith Rd.

only property of which I am the owner
at 1339 E 8th North Vancouver is adjacent
to this proposed park land.

I approve of this zoning.
