## The District of North Vancouver REPORT TO COUNCIL

July 17, 2014  
File: 3060.20/026.14

**AUTHOR:** Natasha Letchford, Community Planner

**SUBJECT:** DVP 26.14 for 2449 Birney Place - Neighbourhood Responses

---

**RECOMMENDATION:**

THAT Council receive the July 17, 2014 report of the Community Planner for information.

**REASON FOR REPORT:**

In accordance with Council's request to receive an indication as to the number of residents receiving notification, being in support or in opposition, the following information is submitted for the development variance permit being considered on July 21, 2014.

**DISCUSSION:**

As of 10:00 am on July 17, 2014:

- a) Development Variance Permit 26.14 – 2449 Birney Place
  - i. 13 notices were sent out to adjacent property owners/residents and to the Blueridge Community Association.
  - ii. One response was received. The neighbour was concerned that extending the decks would impact his enjoyment of his home. The neighbour was informed that the decks comply with the zoning bylaw and are permitted to be constructed and that it is only the roof that requires a variance. No further response was received from the neighbour.

Regards,

Natasha Letchford  
Community Planner
