

The Corporation of the District of North Vancouver

CORPORATE POLICY MANUAL

Section:	Engineering & Public Works	11
Sub-Section:	Local Improvement Projects	5320
Title:	DRAINAGE PROJECTS ON DISTRICT/CITY BOUNDARY STREETS	1

POLICY

The following arrangement between the District and City of North Vancouver for the sharing of costs in connection with local improvement drainage projects undertaken on boundary streets is approved:

1. The cost of the storm drain including manholes to be shared according to the area served and calculated from the points of entry into the main
2. Road base work, catch basins, paving, curbing, lawn inlet stubs, gardening behind the curbs and sidewalks, if any, to be shared equally.
3. Cost of house connections to be distributed according to the total number of house connections, it being the understanding that all existing and potential lots are to be served.

REASON FOR POLICY

To ensure costs are equitably shared.

AUTHORITY TO ACT
