

The Corporation of the District of North Vancouver

CORPORATE POLICY MANUAL

Section:	Finance	5
Sub-Section:	Grants	1850
Title:	MUNICIPAL GRANT ALLOCATION EFFICIENCY CRITERIA	6

POLICY

- 1. The allocation of District monies and grants to recipient community organizations, including those under contract is conditional on factual data and information supplied by the applicant;**
- 2. this information will consist of all relevant data pertaining to the respective administrative efficiency and the cost effectiveness of the programs and activities of the applicant;**
- 3. a letter of explanation to that effect will be provided to all municipal grant applicants;**
- 4. where necessary and/or where requested, staff will prepare appropriate guidelines to ensure that the recipients of such grants and other forms of municipal assistance be subjected to the same efficiency criteria as the municipal administration and municipal departments themselves;**
- 5. The resulting information will be provided to Council at the commencement of the annual budget deliberations.**

REASON FOR POLICY

To ensure that recipients of District funds are subject to similar efficiency criteria as that of the Municipal Administration and Municipal Departments.

AUTHORITY TO ACT
