# What is Emergency Management?

---

# It's about KNOWING Hazards & Risks

## Natural

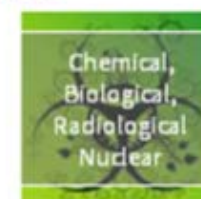

## Health Emergencies

## Technological & Accidental

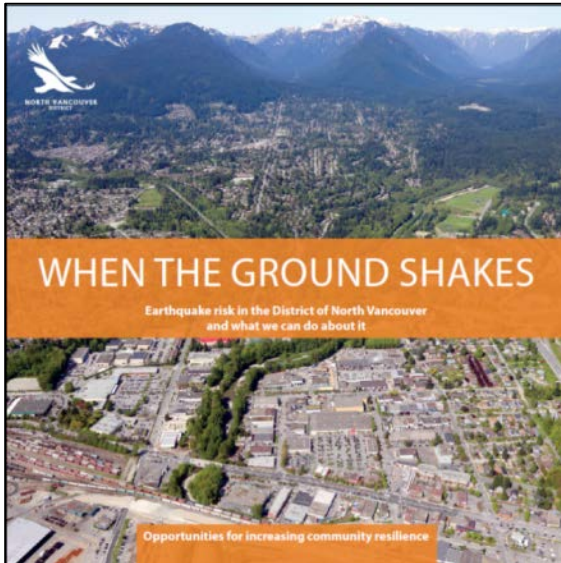

## Other Hazards

# It's about MITIGATION and ADAPTATION

# It's about PREPARING

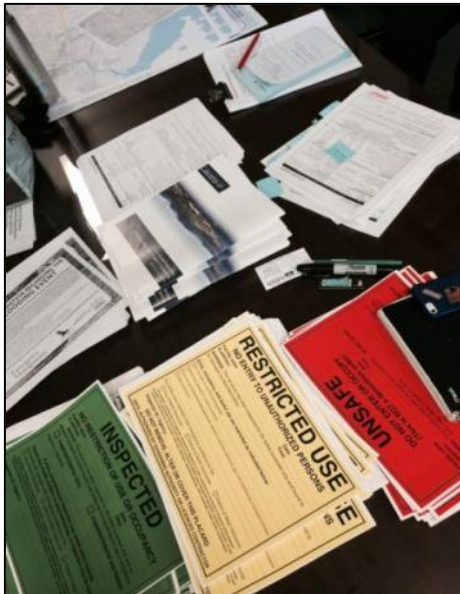

# It's about RESPONSE & RECOVERY

- Provide for the safety and health of all responders
- Save lives
- Reduce suffering
- Protect public health
- Protect critical infrastructure
- Protect property
- Protect the environment
- Reduce economic and social losses

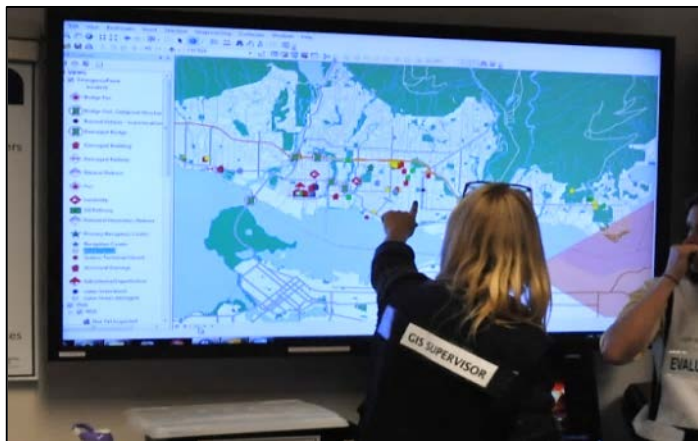

# It's about THINGS

# It's about People WHO SERVE

# It's about people WE SERVE

**We ALL have a personal  
responsibility to be  
prepared.**

---
