Hello Mr. Knee,

The proposed amendments to the Zoning Bylaw and Business Licence Bylaw are not related to the concern you have raised with respect to parking.

Notice of Council's intention to hold a public meeting and public hearing is in accordance with the *Local Government Act* with respect to the proposed Zoning Bylaw amendments, and the *Community Charter*, and a resolution of Council on December 11, 2017, with respect to the proposed Business License Bylaw amendments.

These proposed amendments are focused on regulating marihuana sales in advance of cannabis legalization later this year. For more information, please see:

**Subject:** Bylaw 8283 – Business Licence Amending Bylaw

Does the new clause below in the Bylaw 8283 – Business Licence Amending Bylaw mean that any parking on the boulevard or sidewalk by the businesses will be ticketed?

a new clear offence in Part 3 General Operative Clauses (s. 302) to ticket for "breach of land use other than permitted", for all zones and added a new designated expression and maximum MTI fine of \$1000 to Part 12;

Did the district send this information to all the businesses in the District?

Thanks  
David Knee
