REPORT TO COUNCIL

May 24, 2018

File: 08.3060.20/013.18

AUTHOR: Ashley Rempel, Development Planning

**SUBJECT: NEIGHBOURHOOD RESPONSE TO DEVELOPMENT PERMITS BEING CONSIDERED
MAY 28, 2018**

RECOMMENDATION:

THAT Council receive this report for information.

REASON FOR REPORT:

In accordance with Council's request to receive an indication as to the number of residents receiving notification and being in support or in opposition, the following information is submitted for the Development Variance Permit being considered on May 28, 2018.

DISCUSSION:

As of 10:00 a.m. on Thursday May 24, 2018:

Development Variance Permit 13.18 – 780 E 11th Street

Notices were sent to the property owners/residents of eight adjacent lots.

One response was received from a neighbour indicating support for the variance and the proposed coach house. The neighbour noted concern regarding closure of the existing front driveway on the property. Based on a request by the applicant to accommodate access for a resident with special needs, a covenant on title will provide for the front driveway to remain until such time that the principal dwelling on the property is redeveloped.

Respectfully submitted,

Ashley Rempel
Development Planning
