

Handsworth School Redevelopment Track & Field

September 30, 2019

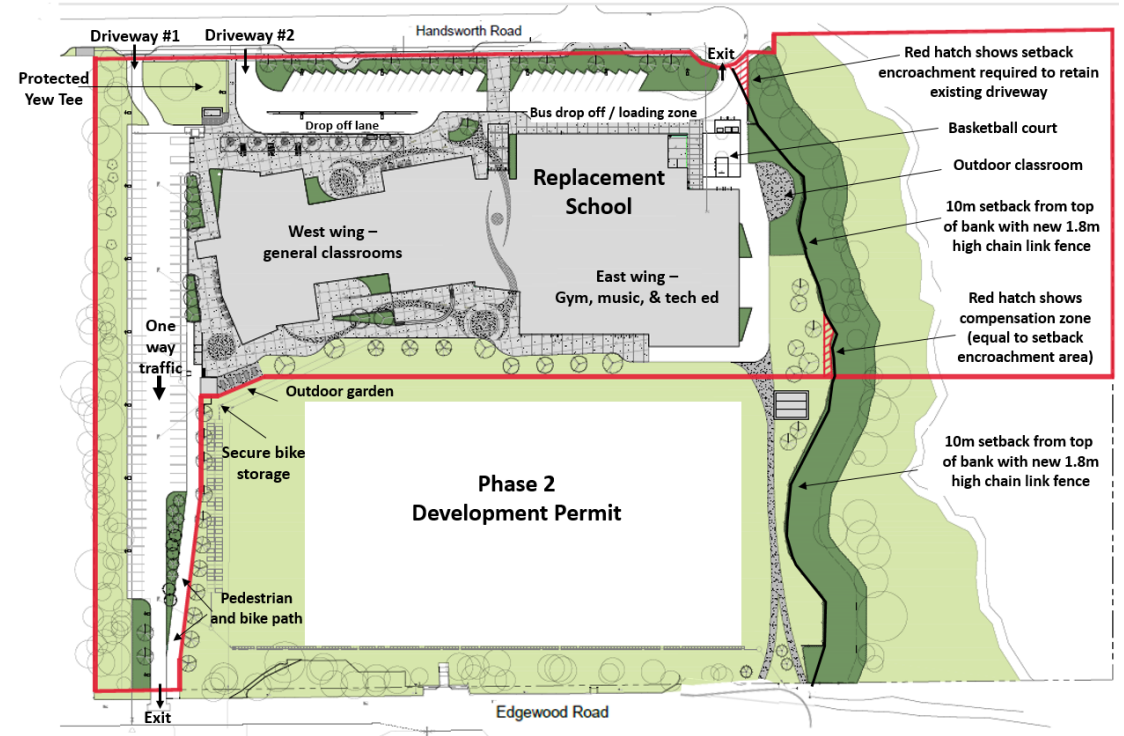

Background

- May 27th 2019 Council passed the motion:
- THAT staff be directed to work with partners to confirm suitability of a four to six lane track at Handsworth School

Handsworth School

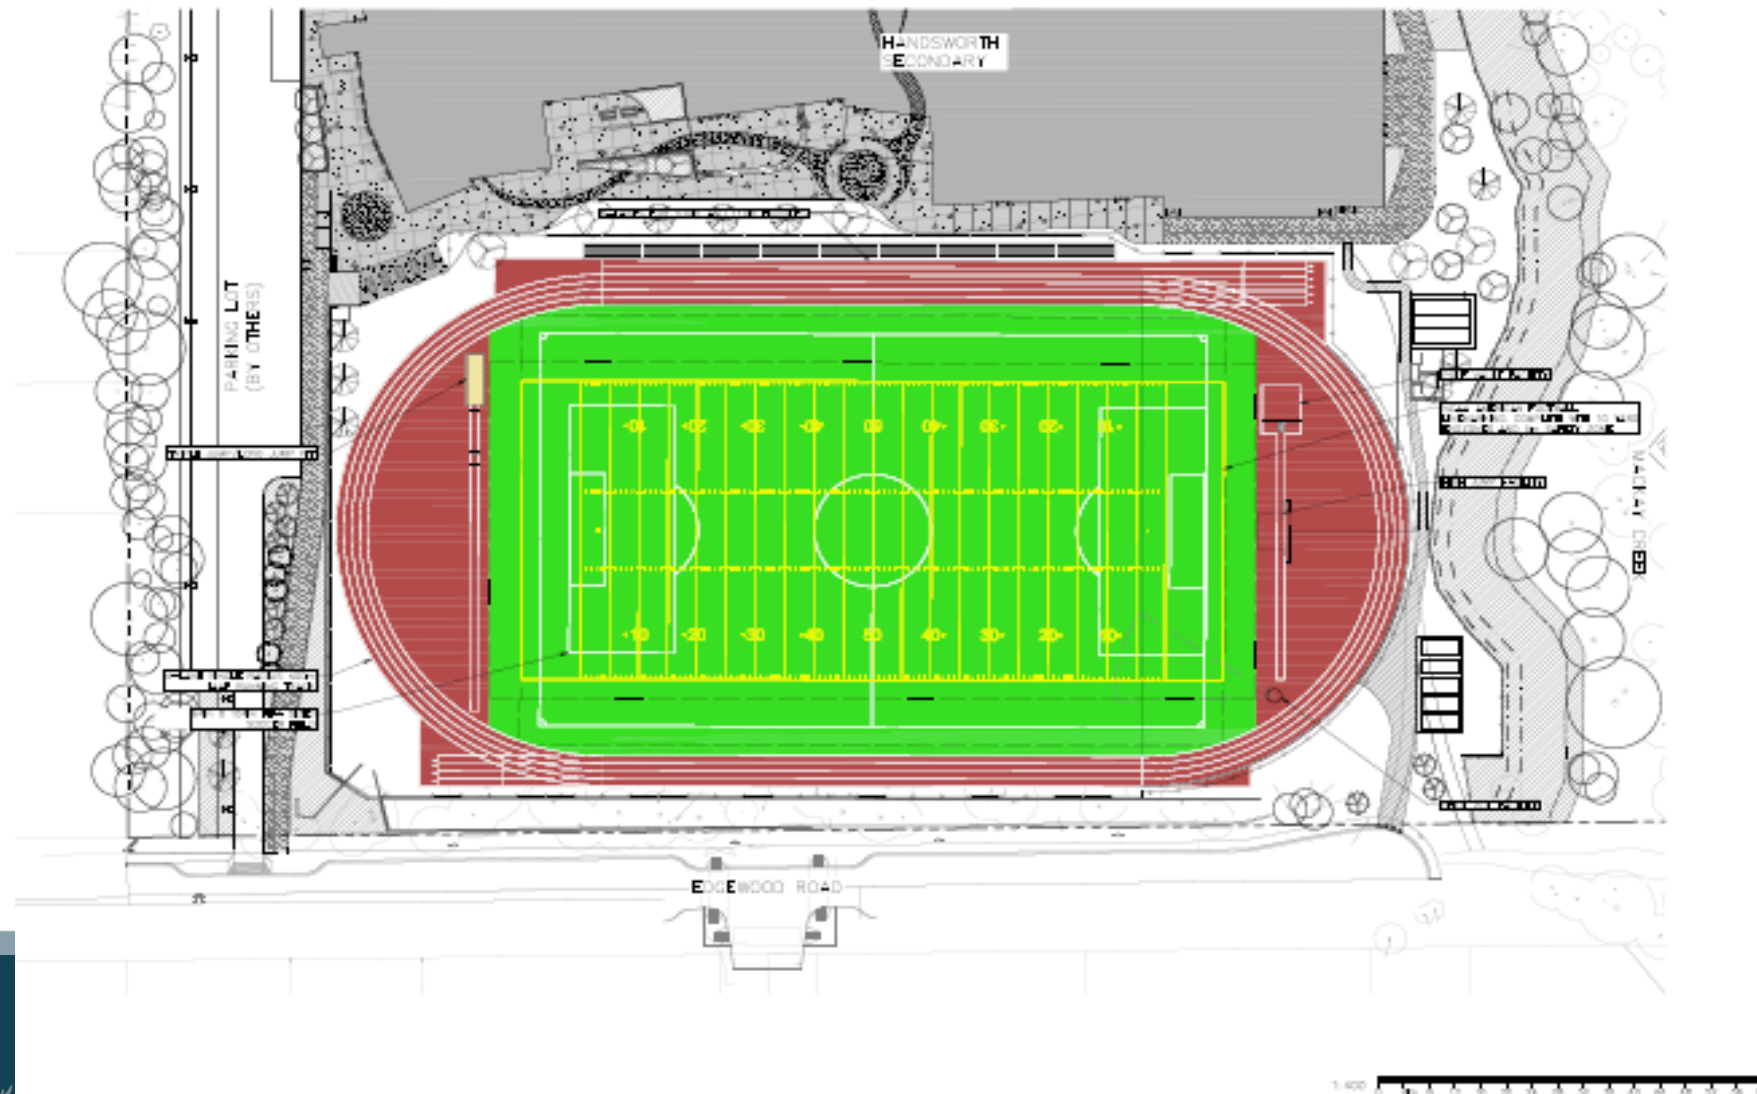

- DNV/School District joint use agreement for existing track & field in 1995
- Handsworth School rebuild – DP - 2019
- New location of replacement track & field off Edgewood Rd

6 Lane vs 4 Lane Options

- Stakeholder discussions
 - School District, NVRC, track & field stakeholders, Parks & Planning
 - Consultant explored both options
- Final preferred option:
 - 4 lane 400 metre track (36.5 radius)
 - 6 lane straightaway – N side of field
 - 4 lane straightaway – S side of field
 - 4 lane – running, 100 & 110 m hurdles
 - Areas for high jump, long jump & pole vault
 - Grass field – 64 m x 104 m – soccer, football, rugby
 - Washroom & storage & parking

Financial Impacts

- Class C estimate – \$3.8 million
- Project not in 10 yr Parks Capital Program
- Current approved Parks 10 yr sportsfield focus:
 - Argyle School ATF 2021 – 2022
 - Inter River Park ATF – 2020 – 2022

Current School Funding for Track & Field

- Field contribution - \$300,000
- No track contribution

Seeking Council direction

- DNV pursue partnership with SD to fund & construct a new T&F w/equal funding from DNV & SD
- DNV pursue partnership with SD to fund & construct a new T&F, with equal funding from DNV, SD and external funding to include grants
- That District not pursue funding of a new replacement T&F
