Hello,

Please see the attached letter to regarding the business licence application for Flying Fish Childcare Centre in North Vancouver.

Let me know if you have any questions.

Best,

Anna Maslany

[REDACTED]  
North Vancouver, BC [REDACTED]

To whom it may concern,

I am writing to express my support to increase the capacity of Flying Fish Childcare Center.

My name is Anna Maslany. [REDACTED]

[REDACTED] I am hopeful that the request for increased capacity will be approved. If it is approved, there will be adequate space [REDACTED]

Unfortunately, our existing at home childcare for the three days of the week has recently fallen through. As a result, on these days, I am at home looking after the girls. This is not an ideal situation for me, and I am looking for full-time childcare. [REDACTED]

[REDACTED] It provides safe and reliable care [REDACTED] in an environment where they are flourishing.

My husband and I are currently working full time. I am currently trying to finish my PhD [REDACTED] I am a PhD candidate and because of program requirements and deadlines, I am expected to graduate as soon as possible. After I complete my PhD, I will be working full time. [REDACTED]

[REDACTED] The demands of his job require him to work 70-80 hours a week. I am often on my own looking after the children. Full time permanent daycare is needed for my husband and myself to fulfill our professional obligations.

I would be extremely grateful if the request for increased capacity was approved.

If you have any further questions, please do not hesitate to contact me.

Thank you very much for your consideration.

Best,

[REDACTED]

Anna Maslany

Hello,

Please find attached my letter of support for the expansion of Flying Fish Childcare Center.

Thank you,

Victoria Koby (parent and North Vancouver resident).

District of North Vancouver  
March 3<sup>rd</sup>, 2022

To Whom it May Concern;

I'm writing in regards to the expansion application by Flying Fish Childcare Centre. [REDACTED]  
[REDACTED] We couldn't ask for a better facility for our young child to spend full days at. She is stimulated and engaged, supported and encouraged to learn. Sunny, the Director, has created a beautiful and bright childcare space that has everything that children under the ages of 5 could want or need. The facility is large enough to host more children than she currently is able to. In addition, the large outdoor area offers so much additional play and learning space.

[REDACTED] Flying Fish is at capacity. To be honest, I feel very fortunate that we were even able to get a spot at a facility that we like given the current challenges finding childcare. If Flying Fish were able to open up more spots that would allow us to potentially take a full time spot, which is what our family needs. Importantly it would also give other young families an opportunity to get the childcare they need and which is very challenging to come by in Vancouver.

I hope the city takes this into consideration when reviewing Flying Fish's expansion application.

Please feel free to contact me with any questions at [REDACTED]

Thank you,  
Victoria

Hello,

I would like to express my concerns regarding traffic and parking issues with the increase in the capacity at the daycare.

[REDACTED] and have lived here for over 25 yrs.  
[REDACTED]

I am very familiar with the comings and goings of these child centers.

I am also the resident that petitioned DNV for the Crosswalk at E13th & Gladstone.

I am also the resident that witnessed and responded first to the child who was hit by a car on E13th which was directly related to illegal parking that blocked the visibility of the crosswalk.

I am the parent that petitioned the school to have 5e parking restricted in the lane behind sunshine preschool as well as install signs and barriers to actually prevent parking, not just a painted yellow curb, which is ignored.

I am very invested in the traffic in my neighbourhood and the school.

The parking and the flow of traffic in the last block of E13th, into the culdesac, in/out of the lanes inside the culdesac, as well as the 2 parking lots is absolutely horrendous and can not accommodate any more vehicles. Adding 10 families + 2 staff is a .....40 car trips a day minimum into a very chaotic congested zone. The daycare sits right on the edge of this culdesac and south lane.

I have 2 concerns

The lane south of E13th back of applicants property needs to have traffic calming barriers installed. This lane is used as a circle route and the volume and speed of the parents (because they are all late), has reached an unacceptable level.

There is not adequate parking anywhere for the 3 childcare centers and every day we have illegal parking in the lane including blocking the front of my garage

The tiny parking lot of 12 spaces is inadequate. The 5 preschool staff and FF 4 staff and any visitors to school park here. It is always full. Daycare parents will have no where to drop off, and mahem will continue

I oppose the increase in daycare capacity unless permanent traffic calming is installed in the south lane and a designated drop off zone in front of the daycare is provided.

We have not ever seen the large gate in the back of the property open for daycare families or staff.

I feel the business should contribute to the traffic calming barriers as a sincere intention of keeping the neighbourhood safe and respecting their other neighbours.

Kind Regards,

Laurina

Good afternoon Ms. Anderson,

Thank you for the below, we will change your attendance to dial-in. Are you able to provide the phone number you will be calling from in order to identify you in the speakers queue?

As for the photographs, please feel free to email any images to [input@dnv.org](mailto:input@dnv.org), they will be circulated to Council and added to the public record.

Thank you,

Hello

Can you please change my participation to dial in, unfortunately I will not be able to connect virtually by 5pm

I was going to show a few photographs, I am not able to share when dialing in

May I submit them by email prior?

Good day.

Thank you for signing up to speak at the March 8, 2022 public meeting. I have added you to the list of speakers – you are speaker #3.

The meeting will commence at 5:00 pm, Tuesday, March 8. Thank you for confirming you will be participating electronically, the Zoom Webinar will open at 4:45 pm.

**Link to join Webinar**

<https://dnvorg.zoom.us/j/67910218298>

**Webinar ID: 679 1021 8298**

**Or Telephone:**

Dial: +1 778 907 2071

Webinar ID: 679 1021 8298

\*9 to Raise Hand and \*6 to unmute when called upon to speak

Please note the following important information regarding your participation in Zoom Webinar:

- You will enter the meeting as an ‘attendee,’ meaning you will be able to observe the meeting proceedings and use the raise hand function
- The Mayor will call upon you when it is your turn to speak; at this time, your microphone will be enabled
- If you have presentation material to share, or would like use of the video function, you will be promoted to ‘panelist’ during your speaking time
- DNV staff will manage moving you from ‘attendee’ to ‘panelist’ and back to ‘attendee’ following your speaking time
- Do not exit any browser or window while staff are moving you between ‘panelist’ and ‘attendee’; this will interrupt the role change and remove you from the meeting
- If at any point you are disconnected, please reconnect using the meeting link above
- For participation by telephone, please press on your telephone keypad \*9 to Raise Hand and \*6 to unmute

Please contact me if you have questions about the meeting or if you wish to have a practice session with Zoom and/or wish to practice screen-sharing for your presentation.

As a reminder, you may also provide a written submission to Mayor and Council at any time at [input@dnv.org](mailto:input@dnv.org).

Regards,

**Genevieve Lanz**
