- Stated that ownership options for accessory units on single-family lots would be creating strata units;
- Expressed objection to the engagement level of consultation with the community as the District would not be required to adhere to community input;
- Expressed objection to the idea that single-family zoning is rooted in colonialism and racism; and,
- Submitted a list of questions on a PowerPoint slide.

2.2. Mr. Corrie Kost:

- Commented on the proposed Security Alarm Bylaw;

- Recommend changes to the Lynn Valley Town Centre due to the increase in the number of units and residents in the area;

- Opined that any member of Council who has moved outside of the District recuse themselves from voting on development items; and,
- Suggested making infill an election issue and providing a definition of the term.

2.4. Mr. Juan Palacio:
